4.20 – 4.50 pm	Pangbourne Silver Band

Activities for children: History Trail – all afternoon

Reading Between the Lines Theatre Group

Guided walks of the Abbey Ruins

**Afternoon Teas available from the Ways & Means Trust**

**The Friends of Caversham Court Gardens  
The Friends of Reading Abbey and The Friends of Reading Museum**

The Friends' organisations would like to thank everyone who has kindly given their help and time to set up and entertain us this afternoon

We would particularly like to thank the Parks and Museum Services of Reading Borough Council, and the Reading BID, for supporting our event

**The three Reading Friends' Groups** – the Friends of Reading Abbey (FORA), the Friends of Reading Museum (FoRM) and the Friends of Caversham Court Gardens (FCCG) – combine each year to hold a Summer Party that is free at entry, for the enjoyment of residents, family and friends; and to promote awareness of the three Friends' organisations, and Reading Abbey, Reading Museum, and Caversham Court Gardens, to the wider community of the Borough of Reading. Previous events have been held in Caversham Court Gardens and the Forbury Gardens.

This year's Garden Party is being held in the Dormitory of the re-opened Abbey Ruins to celebrate the successful completion, by Reading Borough Council, of the Reading Abbey Revealed Project, the conservation of the Abbey gateway and Abbey Ruins, and their re-opening to the public.

**The Ways & Means Trust** works with adults who have learning, physical or mental health disabilities to provide training, socialisation and work experience opportunities in a friendly, person-centred setting to help them to lead rewarding lives, realise their potential and to build their confidence. It engages with community groups and employers to educate on disability and to value inclusion and independence. It is based at Rotherfield Peppard and offers horticultural therapy, catering and workshop activities; [www.waysandmeans.org.uk](http://www.waysandmeans.org.uk) for more information.
